Survey will close Tuesday, February 28th.

Dear artists and advocates,

We need your help! If you haven't done so already, please take our survey about the arts in South Dakota. Thank you to all of you who have already completed it.

Every three years the statewide arts community takes time to cast a new vision and establish new goals. As we begin this process, we need YOU to tell us what is important to you. What do you feel needs to be done? What have "we" as an arts community done well? What can we do better? What is OUR vision for the future?

Please take a few moments to complete the following survey. We promise it will be quick, less than 15 minutes, and your participation is essential. The information learned from the survey will be the basis for community conversations this spring, leadership meetings over the summer, and ultimately our vision for the next three to five years.

Thank you for all you do to make a creative South Dakota!

Best Regards,

Patrick Baker
Executive Director
South Dakota Arts Council

Jim Speirs
