RE: South Dakota Arts Council FY2020 & FY2021 Annual Report

The South Dakota Arts Council (SDAC) presents a special report during the 2023 legislative session. The report includes a complete listing of grants, initiatives, and special projects awarded to South Dakota organizations, schools, and artists for state fiscal years 2020 and 2021. In the wake of the COVID-19 pandemic that hit in 2020, the National Endowment for the Arts (NEA) – the source of our agency’s federal funds – automatically extended the period for our State Partnership Agreements by two years to allow flexibility as we responded to the needs of the arts sector and our partner communities. Speaking practically, this resulted in SDAC managing two state fiscal years’ worth of grants simultaneously: FY20 and FY21. **Because of the accommodations SDAC extended to grantees so they could complete or reschedule their proposed activities, this year we offer an extended edition of our annual report, covering FY20 and FY21.**

In FY20 and FY21, SDAC also accepted and disbursed federal pandemic-relief funds from the NEA to benefit the statewide arts sector, through the Coronavirus Aid, Relief, and Economic Security Act (CARES) in FY20 (\$422,800) and the American Rescue Plan Act (ARPA) in FY21 (\$751,500). With generous support from the S.D. Legislature and Gov. Kristi Noem who signed the bill in March 2021, our agency received an additional \$250,000 to provide more relief to South Dakota’s artists and arts organizations, and those funds have also been distributed. Detailed reports on pandemic-relief funds issued by SDAC, both federal and state, were already provided to the Legislature during the 2021 and 2022 sessions and are available at ArtsCouncil.sd.gov. **The SDAC FY2020 & FY2021 Annual Report instead focuses on all other grants issued by South Dakota’s state arts agency during this same two-year period.**

Despite the pandemic’s dramatic impact on FY21 grants and the cancellation of many of the projects they supported, SDAC’s grant-making for that same fiscal year still greatly enhanced arts opportunities for South Dakotans and visitors. In FY21 SDAC awarded nearly \$1.3 million in grants to nonprofit organizations, schools, and artists, resulting in \$13.5 million in local spending on supported projects and programs; for every \$1 invested in the arts in South Dakota by SDAC, these grants returned another \$32.62 in additional investment on average. SDAC co-sponsored activities reached an audience of nearly 750,000 people, including nearly 125,000 youth and involving nearly 7,000 artists. Through the Artists in Schools & Communities program, SDAC placed teaching artists in about 30 different sites across the state, providing about 118 weeks of arts education residencies to nearly 5,900 students of all ages; and the Touring Arts program sponsored 140 events at 109 different sites across South Dakota, reaching nearly 6,400 youth and 5,800 adults. In total, SDAC’s grants, initiatives, and special projects budget made up nearly 70% of the agency’s overall budget, resulting in 299 grants that reached nearly 50 different communities and over half of South Dakota counties.

During this period, SDAC worked with Gov. Noem to develop the S.D. Governor’s Student Art Competition. This popular program is now in its third year, and the impressive winning pieces from South Dakota’s youngest artists are displayed in the Capitol every January through September.

The South Dakota Arts Council works to enhance quality of life, cultural tourism, and economic development across South Dakota. We do this by providing grants, programs and technical assistance, nurturing partnerships, and supporting efforts to make quality arts opportunities available to all South Dakotans and visitors.

**SOUTH DAKOTA ARTS COUNCIL
CELEBRATING 57 YEARS OF SERVICE**

Established in 1966 and funded by the State Legislature and the National Endowment for the Arts, the South Dakota Arts Council is a state agency serving South Dakotans and their communities through the arts. The Council is the advisory board to the SDAC staff within the Department of Tourism. Council members are appointed by the Governor.

The South Dakota Arts Council was created to unify and coordinate the development of the arts across the state through public service, arts education programs, access and inclusion, cultural tourism, grants and services, and to act as the steward of the state’s federal appropriation from the National Endowment for the Arts.

PURPOSE

Recognizing the importance of creativity in the lives of all South Dakotans, the Council makes quality arts accessible throughout the state by providing encouragement, grants, services and information to artists, arts organizations, schools and the public. The Council strives to ensure access to the arts and educational arts opportunities as part of lifelong learning in South Dakota.

VISION

Our vision is to transform South Dakota’s communities and people through the arts. We see deeper public awareness broadening appreciation for the fine arts, better arts education reviving school environments, wider access to the arts fostering understanding among cultures, and artists and arts organizations enhancing the quality of life for all South Dakotans.

VALUES

To accomplish its mission and support its vision, the Arts Council is guided by a strategic plan informed by input from constituents throughout the state and grounded in public values.

- WE BELIEVE:**
- Greater public awareness of the value of the arts fosters sustained public and private support.
 - Arts education stimulates creativity, communication, and lifelong learning.
 - Universal access to the arts is intrinsic to the well-being of all South Dakotans.
 - Artists are central to the creative environment of South Dakota.
 - Arts organizations contribute to vibrant, progressive communities.
 - The arts play an essential role in cultural tourism.

ANNUAL REPORT ARTWORK:
Transplant, shown above, was painted in 2014 by South Dakota artist J. Desy Schoenewies of Spearfish, SD. This large 60” x 48” oil on canvas was purchased for the 2022 Art For State Buildings program. *Transplant* is currently on display at the Department of Tourism at the Dolly-Reed Plaza Building south of Capitol Lake in Pierre, SD. Special thanks to Desy for allowing pieces of her artwork to help us explain the ups and downs of arts in our state during 2020 to 2021.

ABOUT THE ART:
Desy Schoenewies’ work is a conjunction of memory with place; two human constructs which inform one another through reflection. *Transplant* was the first painting completed from “Transformations”, a figurative series in oils that juxtaposes the ethereal experiences of individuals within South Dakota spaces. As a nod to Andrew Wyeth, *Transplant* is both outwardly nostalgic and yet deeply introspective. The painting serves as a metaphor for how we long for those familiar places deeply woven into the fabric of the landscapes within our minds. *Transplant* suggests that our roots must be strong before we can be planted again.

ABOUT THE ARTIST:
J. Desy Schoenewies received her M.F.A. in painting from Fontbonne University in St. Louis, Missouri. Desy taught middle school and high school art in the St. Louis area before moving to San Francisco, California where she taught art at City College of San Francisco. Desy is currently a professor of art at Black Hills State University, teaching courses in art education, drawing, and painting.

In her artwork, Desy has a range of experience working with a variety of mediums and themes, including oil, encaustic, collage, drawing, and illustration. Her work is consistently exhibited in local, national, and international shows, including the last three South Dakota Governor’s Biennial exhibitions. As a signature artist member with Artists of the Black Hills, her work can be found in group exhibitions throughout the Black Hills region.

FY2020

*PROGRAM OVERVIEW

In the wake of the COVID-19 pandemic that hit in 2020, the National Endowment for the Arts (NEA) automatically extended the SDAC State Partnership Agreement by two years. This effort allowed flexibility to respond to the needs of the state’s arts sector and communities. The NEA is the source of the SDAC’s federal funding.

The South Dakota Arts Council works to enhance quality of life, cultural tourism, and economic development across South Dakota.

We do this by providing grants, programs and technical assistance, nurturing partnerships, and supporting efforts to make quality arts opportunities available to all South Dakotans and visitors.

FY2021

**PROGRAM OVERVIEW

Despite the pandemic’s dramatic impact on FY21 grants and the cancellation of many of the projects those grants supported, SDAC’s grant-making for that same fiscal year still greatly enhanced arts opportunities for South Dakotans and visitors.

In FY21 SDAC awarded nearly \$1.3 million in grants to nonprofit organizations, schools, and artists, resulting in \$13.5 million in local spending on supported projects and programs.

FY21 GRANTS

For every \$1 invested in the arts in South Dakota by SDAC, these grants returned another \$32.62 on average in additional investment.
